© 2005 Deborah Lynn Darling

I've got style, I've got grace  
And I always set the pace  
I am amazing, an amazing woman

I believe my main attraction  
Is that I am style in action  
I'm amazing, an amazing woman

I am healthy, fit and trim  
With vitality and vim  
I am amazing, an amazing woman

I am strong and I am sleek  
With a beautiful physique  
I am amazing, an amazing woman

I, I am amazing  
I, I am amazing

I am beautiful and real  
With outstanding sex appeal  
I am amazing, an amazing woman

I am stylish and chic  
I am totally unique  
I am amazing, an amazing woman

It only takes a glance  
To see I'm filled with radiance  
I am amazing, an amazing woman

I've replaced the phrase I can't  
With this most uplifting chant  
I am amazing, an amazing woman

I, I am amazing  
I, I am amazing

I am happily embracing  
The changes I am facing  
I'm amazing, an amazing woman

I'm appreciating me  
And the woman that I see  
Is so amazing, an amazing woman

I am finally celebrating  
This life that I'm creating  
I'm amazing, an amazing woman

I am able now to see  
All my great abilities  
I am amazing, an amazing woman

I, I am amazing  
I, I am amazing

I can say with certainty  
I have great agility  
I am amazing, an amazing woman

Now I see my greatest assets  
I'm a gem with many facets  
I'm amazing, an amazing woman

I love the me I see  
I am who I want to be  
I am amazing, an amazing woman

I happily now acclaim  
That my flicker's now a flame  
I am amazing, an amazing woman

I, I am amazing  
I, I am amazing

Yes my flame is burning bright  
Like a star that shines at night  
I am amazing, an amazing woman

I will work on being whole in my  
Body, Mind and Soul  
I am amazing, an amazing woman

You can be my witness  
I am focusing on fitness  
I'm amazing, an amazing woman

I will work to guarantee  
That I'm the best me I can be  
I am amazing, an amazing woman

I, I am amazing  
I, I am amazing

Meditating, Visualizing  
Eating right and exercising  
I'm amazing, an amazing woman

I let nothing in the way  
Of my walking everyday  
I am amazing, an amazing woman

I now am clearly seeing  
That I'm a very precious being  
I'm amazing, an amazing woman

I'll go to any length  
To build agility and strength  
I am amazing, an amazing woman

I, I am amazing  
I, I am amazing

I proudly raise my voice  
Proclaiming fitness is my choice  
I am amazing, an amazing woman

I pledge this solemn vow  
That I'll get fit no matter how  
I am amazing, an amazing woman

Every day I'm getting stronger  
Not unhealthy any longer  
I am amazing, an amazing woman

My body is revealing  
All the areas I'm healing  
I am amazing, an amazing woman

I, I am amazing
